BUILDING BLOCKS STUDENT WORKSHEET

Protecting what's important

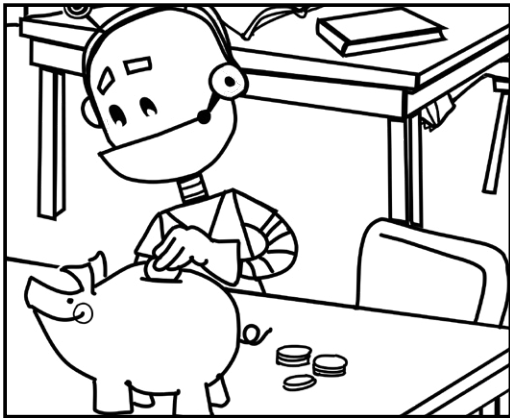

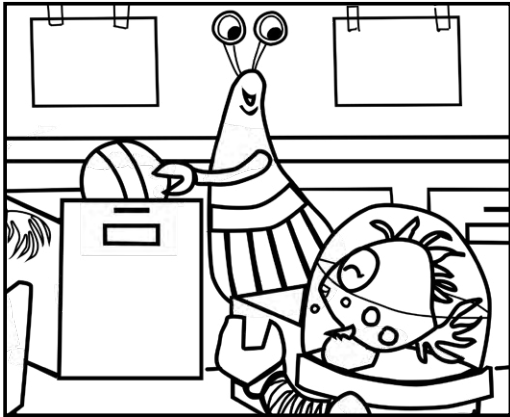

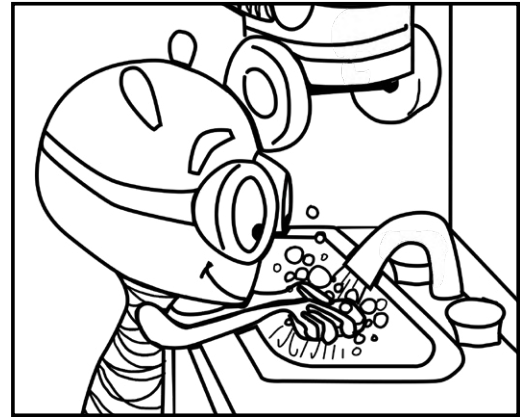

A risk is something that exposes us to danger, harm, or loss. We face risks every day. But there are many things we can do to help keep ourselves, things, and money safe. It's helpful to know ways to protect what's important.

Money Monsters protecting what's important

- Look at the picture below to find ways the Money Monsters are protecting themselves, their money, and their things.
- On the next page, put a check in the boxes next to the pictures showing Money Monsters protecting something.

Check the box next to each picture showing Money Monsters protecting something.
